PROFILE

Dynamic and skilled B.Tech graduate from Manav Rachna University, Faridabad, with a strong foundation in full stack development and a proven ability to create and manage web and software applications. Proficient in programming languages such as Java, JavaScript with hands-on experience in development tools like VSCode. Demonstrated ability to work collaboratively in team environments, coordinate events, and manage projects effectively. Completed internships and training in full stack development and data structures, enhancing practical knowledge and technical expertise. Recognized for leadership abilities and active involvement in extracurricular activities, contributing to a well-rounded professional profile. Fluent in English and Hindi, with excellent soft skills including team management, leadership, and multitasking.

EMPLOYMENT HISTORY

Full Stack Developer, Codes with lipi infotech

Faridabad

Jun 2023 — Aug 2024

Intern, Codes Lipi InfoTech Pvt. Ltd. June 2023 – August 2023

- **Role:** Full Stack Developer
- **Key Responsibilities:** Developed a chat application using Java, working on both the front-end and back-end. Utilized development tools like VSCode and deployed the application on a live server. Implemented real-time communication features and ensured robust client-server interactions.

Portfolio Website: Developed a personal portfolio website to showcase projects and skills. Organized the project into reusable components and distinct pages, including Home, About, Projects, and Contact, stored in src/components and src/pages. Managed static assets in src/assets and global styles in src/styles. Created essential components like Home (src/components/Home.js-), About (src/components/About.js), Projects (src/components/Projects.js), Skills (src/components/Skills.js), and Contact (src/components/Contact.js). Integrated these components into App.js, styled the application with app.css, and launched it using npm start.
